

Employee Free Choice Act

Call Script

Hi, my name is ***fill in blank***. I am a Brotherhood of Maintenance of Way Employee and member of the TEAMSTER Rail Conference from the state of ***fill in blank***. May I ask whom I am speaking with?

I am calling to voice my support for the Employee Free Choice Act because this critical legislation would give more workers a voice in their workplace to negotiate for better wages, health care, and working conditions. I would also like to ask that Senator/Representative ***fill in blank*** be a cosponsor for the Employee Free Choice Act. Thank you for taking my support into consideration.
