The Railroads and their CEOs are profitable and rich....
But their greed is out of control.

Keith Creel  
CEO Canadian Pacific

These greedy CEOs are demanding we DONATE to their paychecks by....

- Paying more for Healthcare
- Accepting small wage increases with no back-pay
- Allowing our good union jobs to be cut

On February 28 the BMWED-SMART/Mechanical Bargaining Coalition met with the Carriers and the federal mediator. At that meeting the Carriers provided an unacceptable and regressive “response” to the proposal we made on February 7th. To their offer of 2% wage increases with no back-pay, “Mainstream Healthcare” and more contracting out of our work....

We say No!

By sticking together we will protect our Jobs, Healthcare and Standard of Living. Our Solidarity as Railroad Workers will prevent them from destroying everything we have worked so hard to build.

Together we’re stronger!
