The Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters (BMWED) goes on record as endorsing Attorney Larry Krasner as the Candidate for Philadelphia’s District Attorney. Mr. Krasner, originally from St. Louis, Missouri, grew up in Philadelphia and attended public school through high school leaving only to attend the University of Chicago and Sanford Law School in California before deciding to settle in Philadelphia.

Mr. Krasner is well versed in Pennsylvania’s legal system having worked as one of Philadelphia’s public defenders from 1987 to 1991 and then being promoted to the Federal Public Defender’s Office in Philadelphia from 1991 to 1993 before starting his own private law practice where he has remained since then. Throughout his 30 year career, Mr. Krasner is known for standing up for fair justice and treatment on behalf of the people he has represented. Our BMWED members in Philadelphia have much to gain from having Mr. Krasner as the new District Attorney as he would advocate for fair treatment and uphold people’s civil rights; and, fair and just treatment at work. Attorney Krasner has defended protesters for more than two decades; and, is well known amongst progressive activists in Philadelphia. Mr. Krasner advocates for justice and safety.

Beyond a doubt, Attorney Lawrence Krasner is the man to represent the people of Philadelphia as the new District Attorney. With proud enthusiasm, the BMWED supports Attorney Lawrence Krasner as the Candidate for Philadelphia’s District Attorney.
